RE: Monthly Service Account Funding – August 2023

As stated in Section 6.1(a) and Section 7.5 of the Puerto Rico Transmission and Distribution System Operating and Maintenance Agreement ("T&D OMA")¹, PREPA must fund the Service Accounts in accordance with the terms and conditions set forth in Section 7.5 of the T&D OMA. Additionally, this funding request is in compliance with LUMA's obligations under Section 3.3 of the PREPA-GenCo-HydroCo Operating Agreement ("PGHOA")².

As of the sixth (6th) business day, LUMA has not yet received the Genco Accounts Funding Notice from Genera. As such, LUMA requests an estimated funding for the Genco accounts in the absence of the Genco Accounts Funding Notice. LUMA requires PREPA to replenish the following accounts:

1. Operating Account
2. Capital Account – Federally Funded
3. Capital Account – Non-Federally Funded
4. Outage Event Reserve Account
5. Purchased Power Account
6. Genco Operating Account
7. Gridco Fuel Account

Please find attached an Excel document showing the required replenishment amounts (as of August 31, 2023) for each of the Service Accounts and seven (7) Check Request forms. PREPA is required to replenish each Service Account according to the specified timeframe for each Account outlined in Section 7.5 of the T&D OMA.

As soon as the check request forms are duly signed, please deliver them to LUMA's Lucchetti Building, Office 304, so that LUMA can process the bank transfers.

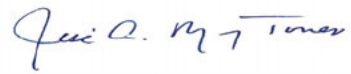

Should you have any questions, please don't hesitate to contact us.
