Additionally, this funding request is in compliance with LUMA's obligations under Section 3.3 of the PREPA-GenCo-HydroCo Operating Agreement² ("PGHOA"). Therefore, LUMA requires PREPA to replenish the following accounts:

1. Operating Account
2. Capital – Non-Federally Funded Account
3. Purchased Power Account
4. Outage Event Reserve Account
5. Contingency Reserve
6. Genco Fuel Account
7. Genco Reserve Account

Please find attached an Excel document showing the required replenishment amounts (as of May 31, 2025) for each of the Service Accounts and Six (6) Check Request forms. PREPA is required to replenish each Service Account according to the specified timeframe for each Account outlined in Section 7.5 of the T&D OMA and Section 7.6 of the Genera OMA.

As soon as the check request forms are duly signed, please deliver them to LUMA's Lucchetti Building, Office 304, so that LUMA can process the bank transfers.

Should you have any questions, please don't hesitate to contact us.

Sincerely,

Victor Rivera Rivera
